Data downloads

Labour Force Survey results are released in three stages.

1. Spreadsheets of the headline indicators are published in this release

2. Additional, more detailed spreadsheets and pivot tables are published in Labour Force, Australia, Detailed (/statistics/labour/employment-and-unemployment/labour-force-australia-detailed/latest-release) one week after this first release

3. Longitudinal labour force microdata are released in the ABS DataLab on a monthly basis, one day after the detailed release (see Microdata: Longitudinal Labour Force, Australia (/statistics/microdata-tablebuilder/available-microdata-tablebuilder/longitudinal-labour-force-australia))

See the Survey output (/methodologies/labour-force-australia-methodology/jun-2023#survey-output) section of Labour Force, Australia methodology for more information.
